

Gluck International LLP

Hinjewadi, Pune, India

About Gluck International LLP:

We are the leading Manufacturer & Supplier of ATM Machine, Banking and Non-Banking Kiosks, Passbook Printing Kiosk, Mobile ATM etc. These products are highly durable and reliable in nature. Our products are acknowledged amongst our customers due to their best quality. We ensure to deliver these products in various places across the country and export them as well.

Establish in year 2014, the machines from Gluck International are indigenously built to cater the requirements of banks all over the world. These machines combine the features of globally present, Kiosks and ATM`s and at the same time provides simplicity for the user convenience.

The design, development and production staffs of the company, though incorporated in December 2014, carry an experience of more than 5 years in ATM and Kiosk Industry. We have expertise in interfacing our ATM`s with different Bank hosts, Switches on NDC and ISO protocols.

Vision Statement:

Our vision is that people everywhere in world be able to use our products for the betterment of their lifestyle.

Mission Statement:

Gluck International LLP, India understand the challenges the system users face regarding accuracy, complexity and deadline. We will support those users and their deadlines to the best of our ability. Not only with the common off the shelf items, but also diverse and custom item made especially for your particular project.

Gluck International LLP, India is a valuable tool to you, the end system user, by manufacturing and providing not only common items but also non-standard, small quantity and difficult items as well.

Gluck International LLP, India is one of many important and necessary links in a long chain of events that must take place in order to bring your project to a successful completion. We will do our best to make that successful completion happen.
